Evidence

man atrocities in this war far better

Black Hole of Calcutta or the scalp-

ings by American Indians in the early

days, declared the Rev. Dr. Newell

Dwight Hillis yesterday in the first of

a series of six sermons at Plymouth

Church, Brooklyn, on impressions of

England, Belgium and France at war.

Dr. Hillis asserted that the conduct

of the Germans since August, 1914, proved the prophetic insight of Goethe, who once said: "The Prussian is naturally cruel; civilization will in-

centific policy of German frightful-

matrons, mutilated captives, vio-l little girls; finding a calf-nailed upon a barn door to be they nailed a babe beside it and

tensify that cruelty and make him a lications printed in other languages

"For three years German-Americans have protested that the stories of German atracities were to be disbelieved as English inventions, Belgian lies and French hyporrisies, but that day has gone by torever," said Dr. Hillis. "On a battle line three hundred miles in length, in whatsoever village the retreating Germans passed.

dred miles in length, in whatsoever village the retreating Germans passed, the following morning accredited men hurried to the scene to make the record against the day of judgment. The photographs of dead and mutilated girls, children and old men tell no lies. For the first time in history the German has reduced savagery to a science; therefore this great war for meace must go on until the German cancer is cut clean out of the body.

"Days spent upon the records preserved in Southern Belgium, Northern France or in and about Paris, days

France or in and about Paris, days gion, the religion of science and the spent in the ruined villages of Alsace extension of the religious parliament

and Lorraine, leave one nauseated, idea." I am one of its untiring read-

inger, but were organized by a so-alled German efficiency, and perpe-it becomes indispensable to the student rated on a deliberate, cold, parties, of ancient and modern cults and faiths.

"The Germans slaughtered old men fulfils the motive in the mind of the

Great Britain, and Great Britain is

condemnation of the Germans for

the destruction of the Lusitania re-

ninds me of the condemnation of a

Russian Jew, who was accused of

taying caused the breaking of a great

show window and was condemned to

pay for the window and the costs of

the court. The fact was that some

person had thrown a stone at the

Jew, but the Jew evaded the stone

and the stone crashed into the win

dow. When the offender was taken

to court by the owner of the store

he claimed absolute innocence of having smashed the window, because

he had intended to hit the Jew and

not the window; so the Jew was

considered guilty because he dodged

the stone and caused the smashing

of the expensive pane, and the court,

in the truly Russian spirit, which

condemns a Jew under all circum-

stances, made the poor Jew pay. The explosives were not intended for the

passengers on the boat, but for the

Cerman soldiers in the trenches, so our manufacturers are innocent

of the catastrophe-but the Ger-

mans are the guilty ones that should
